N. & E.M.P.F. PRINT CHAMPIONSHIP
Friday 18 May 2007

The Club Print Championship will be held at Chesterfield Library on Friday 18 May commencing at 7.30pm.

The purpose of the competition is two fold – to find the Champion N&EMPF Club, and the two clubs to represent N&EMPF in the PAGB National Championships at Connah’s Quay IN October 2007.

N&EMPF rules are based on the PAGB rules. BUT NOT THE SAME

Please make this a good evening – get your club to enter and make this year a record entry. What have you got to lose? Why not come along and show the work your club produces? Who knows your work may be better than you think – let the judges decide. Unless you try you do not know! Another reason for you to enter is that you do not have to represent the Federation at the PAGB Competition if you do not wish to the choice is yours.

Come along to an interesting and entertaining evening; meet photographers from other clubs; and see some fantastic images.
