Hi All

This edition should just about get to you all before Christmas. Included is some information regarding the Federation Exhibition and the N&EMPf PDI Championship after the AGM, so please pass it round to your Committee and members.

The Exhibition entry was the biggest ever with nearly 1400 prints and over 2000 PDI's. With 230 prints being exhibited at Patchings Farm then the standard should be very high. Catalogues for the Exhibition have been posted to all our Club Secretaries.

All the very best for Christmas and 2018.

Best regards

Pete

PAGB APM’s

I am pleased to announce that we had 2 successes at CPAGB level in the recent PAGB’s Awards for Photographic Merit at Colchester.

Congratulations to David Keep LRPS BPE3* of Rolls-Royce (Derby) PS and Tom Glancz PSA3* of Nottingham & Notts PS on being awarded their CPAGB’s.

Tom Glancz receiving his CPAGB from Gordon Jenkins APAGB, President of the PAGB

To follow is the current situation for the future APM’s in 2018 as issued by the PAGB Awards Secretary:

APRIL 2018 ADJUDICATION – CHORLEY

As advised previously the Credit level is full but there are a few spaces left at Distinction or Master Level, but members need to get their entries in sooner rather than later to be guaranteed a place!

MAY 2018 AUDIO VISUAL ADJUDICATION – WILMSLOW

The AV Adjudication will run at least one day on Saturday 26th May 2018, with the possibility of a Friday evening workshop. Entries are however still accepted with the possibility of running an Adjudication on the Sunday. The closing date for entries is 31st December 2017.

Come On – having been to an AV Competition with Clubs in Lincolnshire – WHY are some of you not applying for it? You have to get your application to the N&EMPF Awards Officer asap so it is registered with the PAGB by 31 December 2017

SEPTEMBER 2018 ADJUDICATION – “CLOSED TO ENTRANTS, etc”

Due to the popularity of the Awards and our policy that an entrant should not have to wait for more than one year to have their work assessed, it is planned at this stage to run an additional “closed” Adjudication on the 9th September 2018, with only the Judges and PAGB Team in attendance. I will keep you advised of developments.

NOVEMBER 2018 ADJUDICATION – YORKSHIRE

Applications are slowly being received for this Adjudication to be held in Yorkshire on 24th/25th November 2018.

If you want to do the APM in AV the closing date for applications is December 31st 2017 so you need to get organised and apply to the N&EMPF Awards Officer by mid-December.

CONGRATULATIONS TO:

Carol McNiven Young on gaining an FRPS

Carol took up photography 5 years ago as she was winding down from a career in brand marketing. After attending some photo courses to learn the craft she joined Newark and District Photographic Society and has been a committee member there for the last 3 years. In the last year Carol has achieved her CPAGB, BPEI, ARPS and this month her FRPS.

Carol told us, "I am competitive by nature and like to have goals to work to. So I was particularly attracted to the Royal Photographic Society's distinctions which at the Associate and Fellowship levels demand a sustained high quality execution of a themed 15/20 image panel supported by a rigorous Statement of Intent."

"My Fellowship panel was inspired by the charming illustrations of 20th Century children's storybooks such as Alice's Adventures in Wonderland and Lavender's Blue, and the skill in which they subtly combine fantasy and reality."

"My favourite images are of Alice and the Mad Hatter and of Cruella de Vil and the Dalmatians. Working with the Dalmatian dog on set was particularly challenging as the poor chap was deaf so we had something of a challenge to get him to follow our stage directions!"

Carol enjoys all genres of photography but now spends most of her time creating artistic and creative portraiture. Her first DSLR was a Nikon D3100 and she now uses a D500.

PETE'S BIT

My health problems continue and as I said in No.6 in August you probably wouldn't get another until December and this is it.

We have been to various PAGB events since August including the PAGB Print Championship in Blackburn which was another new venue but it worked fairly well and we'll be altering a few things before the next one in 2018.

The APM's at Colchester, organised by the EAF, went off very well and we enjoyed the C's and D's but left before the M's to drive home 172 miles. The next APM is in Chorley so if you are thinking of having a go you would be advised to visit to see the standard. They are always enjoyable days. Keep your eyes on the PAGB e-news for info.

All the very best for Christmas and I hope you all have a healthy and prosperous 2018.

Regards

Pete
